

GFL Environmental Onboarding Presentation Blueprint

Position: Heavy-Duty & Diesel Mechanic (Fleet Maintenance & Operations)

Format: Designed for Google Slides / Canva

Brand Palette:

- **GFL Green:** #00A651
- **Deep Navy:** #0A192F
- **Safety Orange:** #FF6B00
- **Safety Yellow:** #FFD700
- **Light Background:** #F8F9FA
- **Dark Charcoal Text:** #2D3142

Slide 1: Title Slide

Visual Design Instructions

- **Background:** Solid, high-gloss GFL Green (#00A651).
- **Logos & Icons:** Primary white GFL Logo centered at the top or bottom-middle.
- **Typography:** Large, clean sans-serif font (e.g., Montserrat or League Spartan) in bold white.
- **Layout:** Centered, minimal, and high-impact. Avoid clutter.

Slide Copy

- **Main Title:** Welcome to the Green Team
- **Subtitle:** Onboarding Plan for Heavy-Duty & Diesel Mechanic
- **Presenter/Department:** GFL Fleet Maintenance & Operations Team

Slide 2: Safety First & Compliance (The GFL Core)

Visual Design Instructions

- **Background:** Deep Navy (#0A192F).
- **Accent Blocks:** High-visibility Safety Orange (#FF6B00) and Safety Yellow (#FFD700) side-borders or block highlights.
- **Layout:** Two-column split. Left column highlights physical gear, right column highlights EHS compliance checklists.

Slide Copy

- **Slide Header:** Safety First & Compliance: Our Core Value
- **Left Column (Critical Safety Gear Checklist):**

- Required PPE: Steel-toe boots, safety glasses, high-visibility vest, work gloves.
- Locker Assignment: Secure personal lock box and shop tool allocation.
- **Right Column (EHS Baseline & Compliance):**
 - Zero-Harm Policy: Rigorous shop safety standards and chemical handling procedures.
 - Compliance: Mandatory DOT-standard pre-employment and random substance testing protocols.
 - EHS Training: Complete initial facility hazard and spill response instruction.

Slide 3: Day 1 – Orientation & Touchpoints

Visual Design Instructions

- **Background:** Clean Light Background (#F8F9FA).
- **Layout:** 4-quadrant clean grid-based layout with thin, subtle grey divider lines (#E0E0E0).
- **Typography:** Dark Charcoal Text (#2D3142). Card borders highlighted with GFL Green (#00A651).

Slide Copy

- **Slide Header:** Day 1: Welcome & Integration
- **Grid Card 1 (Welcome):**
 - Meet Fleet Maintenance Manager.
 - Tour shop floor and facilities.
- **Grid Card 2 (Provisioning):**
 - Issue GFL uniform and PPE.
 - Assign dedicated mechanic workspace.
- **Grid Card 3 (Logins):**
 - Set up Workday user account.
 - Access Employee Self-Service (ESS).
- **Grid Card 4 (Vision):**
 - Introduce GFL Green Team culture.
 - Review Full Circle Project initiative.

Slide 4: Week 1 – Core Role Training & Logistics

Visual Design Instructions

- **Background:** Clean Light Background (#F8F9FA).
- **Layout:** A vertical timeline down the center or left side of the slide. Use circular nodes mapped to chronological milestones.
- **Typography:** Bold Charcoal titles with GFL Green accents.

Slide Copy

- **Slide Header:** Week 1: Technical & Systems Training
- **Timeline - Day 2 (EHS & Tools):**

- Complete mandatory safety orientation course.
- Conduct specialized shop equipment checkouts.
- **Timeline - Day 3 (Benefits Setup):**
 - Enroll in company healthcare benefits.
 - Complete payroll direct deposit profile.
- **Timeline - Day 4 (Fleet Familiarity):**
 - Review site-specific commercial truck inventory.
 - Assess preventative maintenance schedules.
- **Timeline - Day 5 (Workflows):**
 - Learn GFL digital maintenance-logging system.
 - Open and close practice work orders.

Slide 5: Month 1 – Performance Milestones & Community Impact

Visual Design Instructions

- **Background:** Light Background (#F8F9FA).
- **Layout:** Three prominent metric blocks/data cards.
- **Card Styling:** Rounded corners (8px), shadow effects, with a GFL Green (#00A651) top border on each card for visual depth.

Slide Copy

- **Slide Header:** Month 1: Milestone Goals & GFL Mission
- **Card 1 (30-Day Milestones):**
 - Activate 401(k) / RRSP accounts.
 - Complete initial shop certifications.
- **Card 2 (60-Day Integration):**
 - Attend GFL inclusion workshop.
 - Establish peer mentorship feedback loop.
- **Card 3 (90-Day Milestones):**
 - Evaluate digital logging speed.
 - Assess alignment with shop safety metrics.
- **Bottom Anchor Text (Community Impact):**
 - Your maintenance directly reduces fleet emissions, keeping our communities green.
